
CALL FOR APPLICATIONS:

The 2022 Nicholas and Janice Brathwaite Award

McMaster University (Hamilton ON, Canada)

BRATHWAITE AWARD APPLICATION DEADLINE: 01 November 2021

MCMASTER UNIVERSITY APPLICATION DEADLINE: 13 January 2022

THE PETNA FOUNDATION and McMASTER UNIVERSITY invite applications for The Nicholas and Janice Brathwaite Award.

ABOUT THE AWARD...

The Nicholas and Janice Brathwaite Award was established by The PETNA Foundation to support students from the Caribbean (list of eligible countries below) in pursuing an undergraduate degree at McMaster University. Awards can be made to students entering any Level I program as a full-time student, and are tenable for up to four years (with special consideration for students undertaking a five-year undergraduate program). Brathwaite Awards cover all educational expenses, including application fees, deposits, travel, tuition, housing, food, books and other education-related supplies.

In the event that students are unable to study in person at McMaster and must remain in their home country taking all courses online, a different funding model will apply and may exclude funding for travel, accommodation and food, based on individual circumstances. In this eventuality, funding will need to be discussed and agreed between PETNA and McMaster prior to confirmation of the Award.

To retain their award, recipients must remain registered as full-time students and meet the minimum course load requirement as outlined in the Undergraduate Calendar.

APPLYING FOR THE AWARD...

Students interested in applying for the Award should first visit McMaster University <https://future.mcmaster.ca> for information on eligibility and the applications procedure.
