**Honourable Deputy Prime Minister Minister of Education,
Science and Technology, Culture, Youth and Sports
Patrick Faber**

Marconi International University, located in Miami (USA), would like to thank your recent support in the dissemination of the agreement signed between the University and the OAS (Organization of American States), to grant scholarships to citizens of their member countries.

We hereby share the result of the previous call in the following link:

September 2021

Once again, we would like to kindly ask for your help by spreading the call that has been published yesterday, and that will be open until December 1st, in the scholarship section of your official website, on any social networking site associated with the Ministry of Education or where it deems most appropriate and convenient:

January 2022

Finally, we reiterate our willingness to explore ways of collaboration between the Ministry of Education of Belize, and our institution so that students from your country have access to the different official programs of the Marconi International University.

We remain at your disposal to implement any initiative that promotes a better future for Belizean citizens, the continuous development and success of your country.

Yours faithfully,

Pablo Cardona, PhD.
President
