Itz'at STEAM Academy (ISA), the only STEAM-focused government high school in Belize City, offers educators an extraordinary opportunity to shape the next generation of thinkers and innovators.

Here is what makes ISA stand out:

• **Expert Training & Global Insights** – Gain firsthand knowledge from international consultants who bring world-class expertise to help you grow as an educator.

• **Curriculum Innovation for Sustainability** – Collaborate in designing a forward-thinking curriculum centred on sustainable development, equipping students with the knowledge to create a better future.

• **Dynamic & Flexible Learning Environment** – Experience an open, adaptive educational space that fosters creativity—not just for students but for educators too.
