Dear Dr. Yvonne Palma,

We are pleased to inform you about the opening of the new Stipendium Hungaricum Call for Applications for studies starting in the academic year 2026-2027. Please find the Call for Applications attached. Please note that the Call is also available on our official website: <https://stipendiumhungaricum.hu/apply/>

According to the schedule of the application process, the most important deadlines are the following:

15 January 2026 – application deadline to Stipendium Hungaricum,
28 February 2026 – deadline of sending the nomination list to Tempus Public Foundation.

The opening of the DreamApply online application system for SH applicants is expected in the middle of November; you will be notified about it. You will also receive a guide that helps you to navigate in the application system.

By the end of January 2026 Tempus Public Foundation will proceed with the technical check of the submitted applications and the list of eligible candidates will be sent to you. Sending Partners will be requested to send us the list of candidates nominated to the scholarship no later than 28 February 2026. Please note that the deadline for the nomination is strict, we are unable to accept the nomination list after this date.

Please note that to be able to maximize the total number of scholarship quota our partners are required to add a list of reserve students to the nomination list. We will inform you about the total number of nominees to be sent to us in a timely manner.

Based on the mentioned timeframe, prospective applicants will have two months to collect all the required documents and submit their application. The main changes in this year's Call for Applications are the following:

- The application deadline is **15 January 2026, 2 pm** (Central European Time).
- Unlike in previous years, the mandatory medical certificate should not be uploaded to the online system. However, the awarded scholarship holders must bring the medical certificate of

satisfactory health condition along with the attachments with themselves and present it during the compulsory medical examination in Hungary.

- Tempus Public Foundation cannot guarantee enrolment in another study programme for applicants whose chosen study programme is not launched by the university for any reason.

To gain a Scholarship Holder status, approved applicants must accept their scholarship in the online application system within the time frame written in the notification e-mail (this is usually within one week after receiving the notification e-mail about the application decision, but it can be a shorter period).

Please note, that you will also be able to consult the submitted documents of all candidates via the DreamApply online application system. To enter, you are required to use the same login/password that you have previously received.

We would highly appreciate your kind assistance in promoting the Stipendium Hungaricum scholarship opportunity through your network.

Should you have any questions, please do not hesitate to contact us. We are available via email, or phone to help you.

Thank you for your cooperation.

Yours sincerely,

Ms. Orsolya Jánosik
Director for Study in Hungary
